9. PRIVACY POLICY

HEALTH CARE

- Our Preschool Teachers at Preschool for Active Living and Child Care Attendants will all be trained in First Aid and CPR.
- From time to time, children may require First Aid assistance.
- At the time of registration, parents will be requested to give written consent to have our staff perform First Aid.
- Staff will not perform any medical care that is outside their scope of training.

SICK POLICY

- If a child becomes sick while at Preschool for Active Living and or Child Care, the child will be kept as far away as possible from the other children.
- If appropriate, the sick child will be kept on the Circle Time mat, while the other children are directed to play elsewhere.

- The sick child will be attended by a Preschool Teacher or Child Care Attendant at all times.
- Parents will be contacted immediately and requested to pick up their ill child.

COMMUNICABLE DISEASES POLICY

- Communicable diseases can spread very quickly in spaces where groups of preschool aged children are present.
- If a staff member has reason to believe that a child may be suffering from a communicable disease, Preschool for Active Living staff will ensure that the child's parent removes the child from the program immediately.
- As listed in the Public Health Act, Schedule 1, these diseases include:
- <http://www.albertahealthservices.ca/services.asp?pid=service&rid=4116>
- Please refer to the above link to see the updated list.

DISCIPLINE POLICY

- It is important that all parents, children and staff be well informed of our Discipline Policy.
- Parents will be made aware through the distribution of our Parent Handbook at the time of registration.
- Any questions or concerns may be brought to the attention of a Preschool Teacher or the Preschool Team Leader or Manager at any time.
- Children will learn acceptable behaviors through discussions and demonstrations with Preschool Teachers. They will also be educated on a case by case basis with adult guidance.
- Staff will be educated upon joining the Preschool Team/Child Care Team. All staff will attend an In-Service and will review the Child Discipline Policy and the Preschool/Child Care Staff Manual at this time.

Realistic limits are set to protect a child's safety and orderliness of the learning environment. Behaviors that are not acceptable will be dealt with consistently. Limits will promote self-confidence and self-control. Each child is an individual and has individual needs. Each child must understand what the limits are. Unacceptable behaviors will be dealt with as follows:

1. Explain why the behavior is not acceptable and what the child has done.
 2. Give children the words to use with each other instead of using physical action.
 3. Point out to children what emotions there are as a result of the conflict.
 4. Teachers will watch to make sure children are following through with guidance procedures and give praise when hearing them.
 5. If children are unable to follow instructions, it may be necessary to redirect children to a different activity.
 6. A brief time away from children and activity will help the child refocus.
- Any child disciplinary action taken must be reasonable in the circumstances.
 - Physical punishment, verbal or physical degradation or emotional deprivation is not permitted.
 - Preschool for Active Living teachers/ Child Care will not deny or threaten to deny any basic necessity.
 - Preschool for Active Living teachers/Child Care will not use or permit the use of any form of physical restraint, confinement or isolation.

MEDICATION ADMINISTRATION

- At times it may be necessary for Preschool Teachers at Preschool for Active Living and Child Care to administer medications.
- This will be permitted with the following guidelines:
 1. The written consent of the child's parent has been obtained
 2. The medication is in the original labeled container
 3. The medication is administered according to the labeled directions
- Medication must be stored in a locked container that is inaccessible to children.
- Medication that is used only in case of emergency must meet all of the above criteria. It must also be stored out of reach of children.
- Prior to medication being administered, the attached Medication Release Form must be completed by the parent.

If medication is ultimately administered, the attached Medication Release Form must be completed and initialed by the administering staff member. This includes the name of the medication, the time of administration, the amount administered and the initials of the person who administered the medication.
